"I'm only here because YOU'RE the bachelor"

Someone physically threatens another girl

"Brown Eyes"

"Are They Kissing?"

"Taking this seriously"

"When you stepped out of the limo"

Someone uses a personal tragedy to win a rose

"My future husband"

Shots of Ben in the shower

"This isn't a game to me"

Someone gets way too drunk

"You look beautiful tonight"

"For the Right Reasons"
(Free Space!)

"She's so annoying"

"This Process"

A "Black box" censor bar

"I'm a virgin"

"She is such a B**ch!"

"She's CRAZY!"

"I left everything behind"

Someone skinny dips

"I brought you a gift"

"My wife is in this room"

A reference to Kaitlyn

"Those aren't real"
